Viva Med Spa & Wellness Joins Forces with The Gloria Gemma Breast Cancer Resource Foundation as Official Partner

Cranston, RI – [October 1, 2025] – Viva Med Spa & Wellness is proud to announce its new partnership with the Gloria Gemma Breast Cancer Resource Foundation, becoming the Foundation’s official medspa & functional wellness partner. Together, the organizations will provide spa and wellness services, education, and community support to individuals impacted by cancer and their families.

“At Viva, we believe in the power of wellness to restore, uplift, and heal,” said Dr. Frank DeQuattro, Founder of Viva Med Spa & Wellness. “Partnering with the Gloria Gemma Foundation allows us to give back in a way that directly supports survivors, thrivers, and their loved ones.”

Through this partnership, Viva Med Spa & Wellness will provide monthly spa treatments, quarterly specialized wellness services, and ongoing marketing and team support to raise awareness and strengthen outreach. Viva will also proudly join the Gloria Gemma Foundation at its annual *Passport* to Survivorship Expo at Flames of Hope on October 4, a signature community experience dedicated to bringing together the latest in medical cancer care with holistic wellbeing to educate, empower and enhance the lives of people touched by cancer.

“So many of the people we serve carry stress and fatigue long after treatment ends. Partnering with Viva Med Spa and Wellness gives us a beautiful way to care for them—inside and out. This collaboration is about more than spa services; it’s about restoring confidence, joy, and peace of mind for survivors and their families,” said the foundation’s executive director, Maria Gemma-Corcell.

Together, Viva Med Spa & Wellness and the Gloria Gemma Breast Cancer Resource Foundation are committed to uplifting survivors, supporting families, and creating meaningful moments of healing and connection within the community.
